

Please go to [this link](#) for information, pricing, registration forms and a general description for the in-person portion of the retreat scheduled in the New York Hudson River Valley from Friday - Sunday, August 20-22, with an option to relax and fellowship a day earlier (Thursday, 8/19). This year you pay the registration fee and/or housing fee together, then add your meals choice and if you want to come a day early beginning at 3PM on the 19th, there are options for added days. Here is the link once again:

The program is still being assembled and will be available in pieces as they are put into place. If you would like to submit a proposal to present a workshop or lead an SIA meeting, there is room for that in the registration form. There is also a link to an information packet in the registration materials, or you can go directly to that packet at the link below:

### What about Zoom?

This year's retreat would like to be shared with non-locals (to New York City Area members) via Zoom, however we don't currently have the service members needed to make this happen. If you are interested, please indicate so on the registration form. We particularly need a chair of the virtual retreat programming and technology, and at least 2 on-site volunteers to coordinate for Zoom transmission. Several people have already volunteered as Zoom hosts. Please stay tuned for more information on the Zoom program. Zoom-only participants will be asked to register and contribute, but do not need to pay the \$50 registration fee.

Questions? Please reply email or send them to [info@sianewyork.org](mailto:info@sianewyork.org), and we will respond as soon (within a few days) since we are all volunteers with different time schedules.

We on the organizing team hope you can join us in beautiful Cornwall-On-Hudson New York August 20-22nd, or even on the 19th!
